

NEW LEAF PAPER®

Inspiration Meets Conservation

[Photoreal Journals](#) from New Leaf Paper feature covers seamlessly wrapped with beautiful nature photography, making it a must-have for wildlife lovers and eco-conscious individuals. The vivid colors, intricate details, and soul-stirring moments captured by talented photographers honor the beauty of the natural world and are a reminder of the urgent need to protect and cherish our planet.

These softcover journals feature perfect binding, are sustainably crafted in the USA, use 100% post-consumer recycled fibers that have been processed chlorine free, and are printed using vegetable inks. Plus, for every purchase, New Leaf Paper will donate a tree through [One Tree Planted!](#) Our products are created to meet consumer's paper needs while contributing to the protection and preservation of our fragile ecosystem.
